So Microsoft did it bigger & BETTER than the other guys and made it to the top of the mountain. That's the American Way folks. Let's stop beating up our winners and start rewarding them instead. It's time to lay off Microsoft folks and get on with some important things.

=====

Are you STILL wasting your time going to the store to get all the NO-BRAINER stuff that you buy over & over & over every day, week, month? We have a National service that will deliver those products to your door at a price equal to or lower than you're paying now, AND on a schedule that will keep you from running out, but will NOT allow things to stack up! E mail back & ask about DITTO DELIVERY.
